

Middleburgh

CENTRAL SCHOOL DISTRICT

Budget NEWSLETTER

2022-2023

Voters to consider \$24 million budget proposal

On Tuesday, May 16, Middleburgh Central School District residents will be asked to consider a \$24,312,490 budget for the 2023-24 school year. This proposed budget increases spending by 2.10%, or \$501,113 from the current year, and includes a tax levy increase of \$151,563 or 1.50%. Since the tax levy increase—the total amount of money to be raised through property taxes—is less than the district's maximum allowable

levy limit of 3.46%, the proposed budget needs a simple majority vote to be approved.

State Aid

As part of the enacted state budget, there was an increase in state education aid for the 2023-24 school year. Foundation aid, which is the primary source for general purpose operating aid, will be fully phased in over three years. Under the new funding formula, Middleburgh Central School District is expecting a

foundation aid increase of 3% each year through 2024.

Fund Balance Use

Middleburgh is using \$921,815 of fund balance to balance the budget

NOTE: All absentee ballots must be received by the district by 5 PM on May 16.

A Message from the Superintendent

Dear MCS Community,

It's been eight months since I joined the Middleburgh Central School District as superintendent. During that time, I have come to understand why generations of MCS graduates and the community enthusiastically support our efforts. Middleburgh is a great place to live, learn and work!

MCS is an active community partner, supporting Fourth Fridays, the Fall Festival, Miracle on Main Street and countless other activities in the village and beyond. We are proud of our partnerships and our collective work to support our students, families and community.

I am pleased to share that MCS has the highest rating in the New York State Education Department's Accountability System: "In Good Standing." To maintain this rating, the 2023-24 budget proposal reflects continued investment in academic intervention and mental health services, which have both positively impacted student learning.

Our proposed budget has a 2.10% increase in expenditures, of which the majority is due to a 20% increase in prescription drug

rates and a 7% increase in health insurance costs for our employees. The district's State Aid will not fully offset these costs; therefore, we are seeking a 1.50% increase in the tax levy to balance the budget.

In addition to the budget proposal, we are asking voters to consider on May 16 the creation of two separate reserve funds, which are essentially how school districts create savings accounts. The district would use the money in these reserves for future capital projects, such as replacing the high school's 90-year-old roof, and for funding an emergency repair reserve.

Creating these reserves will allow us to prepare for the future while keeping an astute financial eye to minimize any impact on taxpayers.

Our community partnerships and engagement make MCS a vibrant school district. We will continue to look for ways to collaborate with the community to fulfill our mission of inspiring all to achieve excellence. Please take the time to vote on May 16!

Revenue in Budget	\$23,811,377	\$24,312,490	\$501,113	2.10%

PROPOSITIONS

When Middleburgh residents go to the polls on May 16, they will vote on three propositions in addition to the 2023-24 proposed budget.

One proposition will be for the anticipated purchase of two buses and one minivan in an amount not to exceed \$306,500. As part of the district's ongoing bus replacement plan, the proposal calls for the purchase of one 60-passenger bus, one 30-passenger (wheelchair accessible) bus and one minivan. State aid would fund \$236,925 (77.3%) of the purchase and \$69,575 (22.7%) would come from the local share, which would be paid over a five-year period.

"Safe, reliable transportation is a top priority for our district," XXXX said.

Voters will also consider one Capital Reserve Fund and one Repair

Reserve Fund. A reserve fund is much like a savings account and is funded when a school district's expenses are less than what was expected, or revenues are higher than expected, resulting in excess fund balance. The district would use excess fund balance for future capital projects, such as replacing the high school's 90-year-old roof, and emergency repairs. No new taxes would be levied to fund these accounts. Instead, the money would come from excess revenues or unspent appropriations.

The Capital Reserve Fund would have a \$4,000,000 limit over a duration of 10 years. The transfer amount for the Repair Reserve Fund would not exceed \$200,000.

VOTER INFORMATION

Voter Eligibility

By law, all voters must be U.S. citizens, at least 18 years old and residents of the Middleburgh Central School District for at least 30 days prior to the vote. Voters must have a valid I.D.

Absentee Ballots

Eligible voters who will be out of town or unable to vote in person due to circumstances detailed on the absentee ballot application can vote by absentee ballot. **You must complete an application to receive a ballot.**

Absentee ballot applications are available on the district website or by contacting District Clerk Kim Lawyer: 518-827-3625. If a voter requests to receive a ballot by mail, the application must be received by the district clerk by 5 p.m. on May 9. If the voter is going to pick up the absentee ballot in person in the district office, the district must receive the application by 5 p.m. **May 15.** All absentee ballots must be returned to the district by 5 p.m. May 16.

Questions?

We have a list of frequently asked questions on the district website or call District Clerk Kim Lawyer at **518-827-3625**.

2023-24 SCHOOL YEAR BUDGET SUMMARY

New York state law requires school districts to present their budgets divided into three expenditure categories—program, administrative and capital—and compare them to the previous year's costs. Middleburgh's three-part budget breaks down as follows:

Program	2022-23	2023-24
Amount	\$17,758,411	\$17,758,411
74.00% of Proposed Budget		
Includes salaries and benefits of all teachers and staff who deliver pupil services (guidance, health, library/media etc.), textbooks, equipment, co-curricular activities, athletics and transportation costs.		

Administration	2022-23	2023-24
Amount	\$2,373,942	2,347,524
9.66% of Proposed Budget		
Includes the salaries and benefits of administrators, supervisors, and administrative clerical staff, public information, printing, curriculum and staff development, school board costs, general insurance and professional fees.		

Capital	2022-23	2023-24
Amount	\$3,679,024	\$3,974,619
16.35% of Proposed Budget		

Includes salaries and benefits of maintenance and custodial staff, debt service on buildings and school bus purchases, utilities, tax certiorari and court-ordered costs.

Career Day

Middleburgh students saw what their futures might look like during a recent Career Day event at the Jr./Sr. High School. Over 40 presenters talked to students about careers in business, education and training, human services and manufacturing. They offered candid discussions on salaries, benefits and job security for their fields, why they enjoy their professions and what challenges they have faced. Students asked questions at the end of each presentation and developed a broader understanding of the economic marketplace.

"I thought Career Day was interesting," Junior Stuart Shaul said. "I didn't realize how much the trade professions work together."

Not all of the discussions focused on the future. Many presenters talked to students about classes they could take and school clubs they could join to prepare themselves for college and career. Some presenters outlined current opportunities to volunteer or apply for summer jobs with their organizations.
