Dental Health Certificate- Optional

Parent/Guardian: New York State law (Chapter 281) permits schools to request an oral health assessment at the same time a health examination is required. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your registered dentist or registered dental hygienist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist/dental hygienist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

Section 1. To be completed by Parent or Guardian (Please Print)

Have you noticed any problem in the mouth that interferes with your child's ability to chew, speak or focus on school activities? ☐ Yes ☐ No

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health.

I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.

Parent's Signature _____ Date _____

Section 2. To be completed by the Dentist/ Dental Hygienist

- ☐ No, The student listed above is not in fit condition of dental health to permit his/her attendance at the public schools.

The designation of not in fit condition of dental health to permit attendance at the public school does not preclude the student from attending school.

<https://go.boarddocs.com/ny/middleburghcsd/Board.nsf/goto?open&id=AWL4FU0B66F4>

Purpose

The Middleburgh Central School District (MCSD) is committed to leveraging technology to enhance teaching, learning, and student engagement. This policy governs student use of the District's digital resources, including internet access, electronic devices, and network systems, to ensure safe, responsible, and ethical use in alignment with the District's educational mission.

1. Scope

This policy applies to:

- All students using the District Computer System (DCS), which includes hardware, software, networks, cloud services, and electronic communication platforms.
 - Both school-owned and personally-owned devices (BYOD) used on school property or connected to District networks.
 - All use of digital tools in both on-campus and remote settings.
-

2. Access to Digital Resources

- Student access to the internet and online services is a privilege provided for educational purposes.
 - The District uses content filtering, monitoring, and security protocols to protect users, though it cannot guarantee full control over all digital content.
 - Students may be granted remote access to school platforms; these uses are still subject to the AUP.
-

3. Expectations for Responsible Use

Students must:

- Use technology in ways that are safe, ethical, respectful, and educational.
- Respect privacy, intellectual property, and copyright laws.
- Protect personal information (e.g., full name, address, phone number, images) online.
